

C19 RECOVERY

AVJ Hospitality
Compliance
products

A NOTE:

We have produced this PDF to show the products we have available to support venues to get back up and running. We have priced these products on the basis to be affordable for bars, pubs and restaurants while they find their feet again. We are not discounting any prices in the document.

Should you require a product not in this PDF - or need something slightly different please call amelia or lisa on 01772 780790 and we will be happy to sort for you.

All hospitality businesses ordering through this PDF will receive a 25% off voucher to redeem in 2021 against any printed material. The next 12 months are going to be hard work.... Let's plough through together.

STICKERS & LABELS

We produce all variations of labels and stickers, suitable for food and drink applications. Whether it be for standard brand packaging, simple labels for take away bags to anti tamper stickers for boxes, to more unique bottle and food labeling - with special finishing touches and finishes.

Due to so many businesses having to think out side the box, we understand many are currently having to adapt and budgets are paramount, but don't fret - we're known for finding the correct solutions to the correct prices...

So if you need any sort of labelling, please drop us a line at design@avjdesign.co.uk and request a call back that suits you.

Or check out our website.
